Dear Parents and Community members,

Walk Safely to School Day
A reminder that Friday May 20 is National Walk Safely to School Day. I encourage all primary school children, parents and carers to walk and commute regularly and safely to school.

Children’s Crossing
The P&C recently applied for a children’s crossing on Reynolds Road. Part of the application process includes several surveys by Officers of the Children’s Crossing and Road Safety Committee. The actual position of the crossing if successful, will be on Reynolds Road between BWS and Coco Belle Cafe. To this end, I urge all parents and students who walk to school from the Reynolds Road area, to cross at the proposed location of the crossing for the next few weeks as this is when surveys will be conducted.

School Banking Thank You
Unfortunately we have had no volunteers to take over the School Banking. Sadly, this means next Wednesday May 28 will be the last banking day.
Thank you to Nichole Rowson and Jo Purchase for their time and effort coordinating the banking over the past several years. We really appreciate your work every Wednesday morning and what goes on behind the scene. If you can take over this role, there is still time. The ladies are more than happy to train you.

Sing Fest
On Thursday May 26, Rooms 1 and 2 will be representing our school at a Sing Fest at the Melville Civic Centre. We wish them all the very best.

FLEXIBILITY
Flexibility is being open to change. It means not always having to have your own way. Many unexpected things happen to us that we cannot control. When things happen that upset us it can mean that we need to do things differently or improve in some way. Flexibility means you see difficult things as a challenge, and that you are willing to make changes to become a better person.

ROAD WISE
Walking to school
While walking to school is encouraged for school children, here are some hints for parents to follow to ensure your children enjoy a safe trip to and from school every day:
*Where possible, walk to school with your children, especially if children are under the age of 10.
*Arrange for another adult or a group of older friends to walk with your children.
*Walk your children along the safest route to school and identify hazards and appropriate crossing locations along the way.
Dear Parents,

1 JUNE 2016

Our school photo day is coming! Approximately two weeks prior to the photo day every student will receive a Kapture Photography order envelope to bring home. The recommended method of ordering your photos is online through Kapture’s website as your payment is secure and can be easily verified at any time. Alternatively you can pay by cash and return the provided envelope to the school on the photography day. If you place your order online please DO NOT return your envelope to school.

Any parent who forgets or is unable to supply their envelope on the photo day will have five (5) days to complete an order online. Late payment envelopes cannot be accepted by the school office or by Kapture.

You also have the option to order a sibling photo package online, however please be aware there may be a limited number of sibling orders that can be placed due to time constraints on photo day. We suggest you place your online sibling order as early as possible to avoid disappointment.

Please note sibling orders close @ midday Tuesday 31 May 2016

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on 9240 1714 or email enquiries@kapture.com.au.

All students will be photographed individually on photo day for school administration records AS WELL as included in their class group photo available for purchase to all families. Should there be any reason why your child should NOT be included in the photo shoot –please contact the school office.
