National Schools Opinion Survey (NSOS)

Every two years schools in Western Australia survey students, staff and parents in an effort to gauge satisfaction levels and to plan for the future. Surveys will be distributed electronically by the end of the week. I urge you to complete these surveys as this will provide valuable information for us.

Our School Benefits from the Sale of Oranges!

Over the School holidays Rosanne Baker and Paul Nash arranged for all of the netball, basketball and the handball courts to be re-marked making our school look much brighter. They also presented to the School a voucher for Westbooks for over \$2000 for the library to spend on new books. The total benefit to the School from the sale of oranges picked from Chittering Valley and sold by Rosanne and Helen Suriano both at school and from their home was \$3287.50. Thank you very much to Rosanne, Helen and Paul.
