Pleasant Parenting

Pleasant Parenting is a series of workshops held each term to support parents with the education of their child.

Presenters are experienced educators, specialists and support personal within the local community.

All sessions open at 8:45am for coffee and a chat, ready for a 9:00am start.

Sessions are planned to finish at 10:00am.

Sessions will be set up in the staff room near the administration building.

Term Three Program:

Wednesday 6th August
Maths in the Early Years (Pre-Kindy to Year 2)
Presenter: Kate Maatman
Kate Maatman has attended many professional development courses over the past three years outlining the new developments in maths education. With the new Australian Curriculum maths teaching and learning is changing with a focus on ‘hands on maths’. This workshop will outline how to give your child a head start in maths in the early years building their foundation skills for future learning.

Wednesday 27th August
Storytelling (Pre-Kindy to Year 2)
Presenter: Robyn Ward
Robyn Ward is an experienced Early childhood and Primary teacher with a passion for storytelling. She has professionally told stories in community groups for children and adults. Effective story telling is a building block for developing imagination, listening skills, vocabulary development and builds social bonds. It is also essential for narrative writing and comprehension skills. Robyn will share ideas and strategies to develop these skills in your child through storytelling.
