History Assignment

Task:

You will need to research one introduced animal from Colonial Australian times. You will need to write a report on this introduced animal and present it as a typed document with headings and pictures, mounted on a poster.

In your report you will need to include:

- A description of the animal including what it looks like, where it lives and what it eats.
- Information about when and why it was introduced to Australia.
- The impact it has had on the environment including the problems it has caused.
- Bibliography – reference list including at least 2 different sources

You will be given 3 lessons in class to complete this assignment and any additional work will be required to be completed at home.

This assignment is due Monday 8th September Week 8.
