Nomination of a Candidate for Parent Representative on the School Board

I wish to nominate myself as a candidate for election to the School Board.

Full Name:

Genevieve Caddy

Candidate Statement:

I am the parent of 2 children, Lachlan Caddy who graduated from Mount Pleasant Primary School (MPPS) in 2018 and Rosie Caddy in Year 2.

I have worked in education for over 25 years in both the public and private systems and began my teaching career in a remote teaching school. My current position is Deputy Principal at Success Primary School 0.8. I have been a MPPS Board Member for 4 years now. I value being a member and understand the roles and responsibilities. I believe I have the capacity to bring both my experience as a parent and with the relationships I have established at the school, the views and context of the wider community. In the past, my educational experience and expertise assisted the board in providing clarity around educational matters, department directives and reassurance around change management if required. I am analytical in my approach to solving problems and enjoy reviewing whole school student data and looking for trends and areas for growth.

When a distributed school communications advisory team was created, I nominated myself to be a part of this team. This small group targeted school image, including new enrolment packs and communication templates that needed to be updated or reviewed. We also discussed and provided reasonable timelines for communications with parents to occur. Being a part of this team allowed me to share the views of the wider community and successfully assisted MPPS fine tune their communication systems at the time.

In the time I have been a member of the School Board I have seen our school grow and become the school of choice for our local area. I am proud to be a part of MPPS and believe that my continued membership on the school board will assist the school in its ongoing growth.

DECLARATION OF CANDIDATE:

I nominate myself as a candidate and if elected will accept the responsibility of being a parent representative. I also give permission for my candidate statement and photo to be used electronically for election purposes.
